Jim,

There is nothing further to do. Dismissal of the prior judicial review action was the final step. The amended transfer is as final as it can be. Once I receive Judge Elgee's order, a copy will be provided to Pam for placement in the water right file.

Thanks,

Phil

Phil,

Judge Elgee has signed the Order of Dismissal. Is there anything further that we need to do in the administrative proceeding so that the amended transfer becomes a final order no longer subject to appeal? Or is that what we have just done??? Thanks for your help.

Jim
