RE: Notice of Change in Water Right Ownership: 61-12060

Dear Property Owner(s):

Thank you for your recently submitted request for a Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note the \$25 filing fee you submitted will be applied to this assignment. We are returning the paperwork that you sent as we only require the completed Assignment of Permit form to process the change.

Because the Department cannot process the Assignment of Permit without the proper paperwork, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter.

Sincerely,

Jean Hersley
