RE: Held Application for Permit #63-12421—Filed October 24, 1997

Dear Mr. Baicy:

I am writing this letter to follow up with you in regards to our telephone conversation that we had in November of 2008. During our telephone conversation we discussed your interest in the above referenced Application for Permit and I notified you that the Department would require a written request for continued processing of your application.

As of August of 2008 your Application for Permit is no longer active and has been voided by the Department. This is due to the fact that the Department's database did not have your updated contact information and mail that we sent to you went unanswered. I have enclosed the previous correspondence for your reference.

I realize that you fulfilled your responsibility to the Department by notifying us of your change in address in March of 2008 therefore, the Department will consider rescinding the previous order voiding your application (copy enclosed).

Please fill out and return the enclosed response form. Instructions for filling out the form are located in our letter to you dated July 31, 2008 (copy enclosed).

If the Department does not receive a response within thirty (30) days of this letter, your application will remain voided.

Thank you for your attention to this matter and I apologize for any inconvenience. Please don't hesitate to contact me if you have any questions at (208) 287-4944.

Sincerely,

Cherie Padilla
Water Resource Agent
