Re: Application for Amendment of Permit No. 37-8205

Dear Mr. Brockway:

The Department of Water Resources acknowledges receipt of the application for amendment of a permit on behalf of Sun Valley Land & Minerals, Inc as referenced above.

This office has scheduled advertising the application in the **Idaho Mountain Express on 5/27 & 6/3/09**. A period of ten days following the second publication will be allowed for the submittal of protests. **(6/15/09)**

If the application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, a final review will be conducted at the Regional office or by our State Office. You will be notified of any action taken on the application.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
