Re: Change of Ownership for Water Right No(s): 63-15664 and 63-20774

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. Thank you for providing the necessary information needed to make this change. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The ownership of Permit 63-12502 was not changed per an email we received from you on May 6, 2009. I spoke with Deborah Gibson at our state office and she is granting the extension on permit 63-32981. The \$25 filing fee associated with an Assignment of Permit will be refunded to you shortly. Also, in April we requested a refund of overpayment of filing fees. The request was short \$25 so the new request includes this error. We are sorry about the confusion.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
