RE: Ownership of Water Right 34-297B

Dear Bob:

This letter is a follow up to our phone conversation in April regarding ownership of water right 34-297B. Robert and Kathleen Green, who reside at 6256 Bartlett Point Road, filed for an ownership change for the water right in April, 2007. However, it was determined that they did not own the place of use (POU) for the water right.

In a phone conversation with Robert last month, he noted that he and his brother both bought land from Anaya Hixon who we show as the current water right owner. I believe Mr. Green's brother probably owns the land covered by the POU for the water right, but we have not received an ownership change request from him. Unfortunately, I do not have the name or contact information for Robert's brother.

I hope this information helps a little in your recordkeeping for the water district. Please feel free to contact me if you any questions about this water right.

Sincerely,

Dayna M. Ball
