RE: Water Right Nos. 37-8877, 37-21435

Thank you.

Dear Permit Holder,

I met with you last September for the field examination of the domestic water supply to Bluegrouse Ridge Subdivision. I have begun to prepare the licenses, the next step in the process of developing the water rights. I have noticed that both permits are in the name of Seaboard Corporation, while the proof of beneficial use listed Bluegrouse Ridge Homeowners Association as the permit holder.

If you would like to change the permit holder to Bluegrouse Ridge Homeowners Association, an assignment of permit can complete the change. With the assignment of permit, I can license both permits in the name of Bluegrouse Ridge Homeowners Association versus Seaboard Corporation. I have included two forms for your convenience.

It is important to note that if the owner of record is changed to the Homeowners Association it may avoid future ownership complications with the water rights as the lots sell to other, individual owners.

If you have any questions regarding this letter, please don't hesitate to contact me.

Regards,
