Rob,

I have asked staff engineer Mat Weaver to review it. I let Mat know that your client would like a response as soon as possible. Mat is also working on a prior assignment for the Director. I know he'll look at the engineer's report for Aleixo as soon as he can.

Subject: Aleixo Permit

Shelley:

Ernie forwarded you the engineer's report for a sandpoint for the Aleixo permit. Have you had a chance to review it? My client's engineer may not be available to install it if it is not approved soon. I apologize for my expedited request, but if you could take a look and let me know if IDWR approves sometime on Thursday, I would greatly appreciate it.

Thanks,

Robert L. Harris
