**Re: Mayfield Townsite LLC
Permit Application No. 63-32499**

Dear John:

In response to your April 1, 2009 correspondence, attached are calendars for October and November 2009, indicating available dates for Scott King, Erika Malmen, and me for the IDWR hearing regarding this water rights application. I would expect a hearing in this case to require up to two days.

If the hearing is not scheduled until October or November, I request that discovery not commence prior to July 1, 2009, to allow the parties additional time to potentially reach a stipulated settlement.

Sincerely,

Robert A. Maynard
