Denise,

Thanks for the question. Avimor was on the bottom of the pile.
I do not oppose if standard watermaster rules apply.

Thanks again,

Rex Barrie

Rex --

I received this e-mail that you do not oppose these apps being approved. I believe it's in reference to Ballentyne Ditch & Idaho Parks and Rec. Do you know if you received &/or oppose the application for transfer for Avimor, # 74949, also? I just want to be sure we have the correct responses in each file.

Thank You,
