PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 67-14925

Dear Permit Holder:

The department acknowledges receipt of the statement of completion for submitting proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

On April 13, 2009, the department sent you a letter regarding an overpayment of the fee submitted. The actual fee due for the diversion of 0 – 0.20 cfs is \$50. You submitted a check in the amount of \$275 and a refund of \$100 was mailed to you. I have requested that a further refund in the amount of \$125 will be mailed to you. I apologize for any confusion this has created.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:
www.idwr.idaho.gov

If you have any questions about the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190.

Sincerely,

Emalee Rushing
Office Services Supervisor
