Michele:

Here are the shapefiles. Let me know if you have a problem opening them. I've also had problems sending by regular email, so I'll send a follow-up email with rich text format.

Rob,
 I have drafted the reinstatement order for lapsed permit 25-7583. It is on the Bureau Chief's desk and I expect him to sign it this week.

In your letter petitioning for reinstatement of this permit, you offered to share with the Department the ArcMap shape files you have created for this water right. I believe that having them will make subsequent processing of this right a little easier, so I am going to take you up on your offer. At your convenience, would you please send me your shape files and their projection files so that I can load them into our database? Thank you.
