RE: Water Right No. 97-7245
Change in Ownership

Dear Water Right Holders:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The Real Estate Agreement submitted with the ownership change form was not complete and lacked a signature page. Please submit the full real estate agreement, Warranty Deed, or quitclaim deed showing conveyance of property from the Souths to the Pattersons.

The Department cannot process the ownership change without proper documentation. We will hold your application for **30 days** pending receipt of the necessary information. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
