RE: Water Right No. 97-7433 & Statutory Claim 97-4232  
Change in Ownership

Dear Water Right Holder:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The death certificate provided with your notice does not provide proper evidence of conveyance of the above mentioned water right. Please submit evidence that demonstrates conveyance of the property to you. Specifically, a deed that covers Township 56N Range 05W; Section 7: NENE & NESE. Your original death certificate is being returned to you and a copy has been kept for our file.

The Department cannot process the ownership change without proper documentation. We will hold your application for **30 days** pending receipt of the necessary information. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing  
Office Services Supervisor
