RE: Change of Ownership for Water Right No. 96-4498

Dear Mr. and Mrs. Meyer:

The Department of Water Resources (IDWR) acknowledges receipt of your Notice of Change in Water Right Ownership. I apologize for the delay in reviewing your documentation.

During our review of the documentation you submitted, we found some discrepancies between that documentation and the legal description of the place of use for the water right indicated in your notice. I have enclosed a copy of the water right for your reference.

The warranty deed indicates the property deeded to you is the N $\frac{1}{2}$ W $\frac{1}{2}$ W $\frac{1}{4}$, S. 15, T59N, R1W, B.M., which equates to the NW $\frac{1}{4}$ SW $\frac{1}{4}$, S. 15. The water right claim is located in both the NW $\frac{1}{4}$ SW $\frac{1}{4}$ and the SW $\frac{1}{4}$ SW $\frac{1}{4}$. Therefore, IDWR does not know how much of the right you acquired and how much is still appurtenant to the SW $\frac{1}{4}$ SW $\frac{1}{4}$, which you did not acquire.

If it is possible to have the former owner's representative Quitclaim Deed to you any interest in the whole water right, we can proceed with the change of ownership. If the Water Right has been split, you will need to complete item #6.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be an additional \$75 if the water right has been split.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed. Please let me know if you need more time to obtain the proper documentation.

Please feel free to contact IDWR if you have any questions.

Sincerely,

Emalee Rushing
Technical Records Specialist
