RE: Change of Ownership for Water Right 36-7326,
36-10069

Dear Water Right Holders,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

In February of this year Southfield Properties LLC submitted a large change of ownership request. Water rights 36-7326 and 36-10069 fees for ownership change were submitted at that time (see enclosed receipt) No money is due for the changes so I am returning Williams, Meservy & Lothspeich LLP check #21380 for fifty (50) dollars to you at this time.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Should you have any questions please call me at (208) 736-3033.

Sincerely,

Carrie Hahn
Clerk
