If the change in ownership affects the entire water right, item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right into multiple owners, you must describe, in detail, your portion of each water right after the change. Fill spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may use as many boxes as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation justifying a larger amount. If you are not sure how to identify your portion of the original water right claim records, please contact the nearest IDWR office for assistance.
