RE: Thueck Transfer

Complaint in 2006.

4/15/09 Al Worman. - called about the Thueck transfer.

Had the Dept. measured the Thueck well and meter reading. He had made a request and sent letter last fall. I had not recalled that being the case that I or staff had made that commitment.

4/17/09. Reviewed file.

Left phone message a Worman residence. Need to discuss measurement at Conference on Tuesday.
