RE: APPLICATIONS TO LEASE WATER RIGHTS TO THE WATER SUPPLY BANK AND
ACKNOWLEDGEMENT OF RESUMPTION OF WATER USE

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of the applications to lease water rights nos. 71-41, 71-42B, 71-43B, 71-49B, 71-50, 71-59, 71-61, 71-64B, 71-66, 71-68, 71-2004D, 71-2053A, 71-7002, 71-10277, 71-10278, 71-10728, 71-10766, 71-10772, and 71-10871 to the Water Supply Bank ("Bank"). The offered water rights are accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification. The rights will automatically be released from the Bank on **December 31, 2011** unless the rights are released earlier by the Board or upon request by the lessor. To change the term of the lease or to release the rights from the Bank, the lessor must submit a request in writing to the Department prior to the release date.

The Department acknowledges your letter received April 27, 2009, regarding the resumption of water use under the rights leased to the Bank. The leased rights are available for use by rental from the Bank and are not subject to forfeiture during the lease period.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
