Reme,

For your protection, IDWR will change addresses in the water rights database only when we receive written notices with signatures. I've attached a form for you. You can return the form here or to the regional office.

IDWR doesn't update ownership records for wells. Because there is rarely a need to send mailings to well owners for non-water right matters, there is not statutory mandate for it, and we have developed neither the database infrastructure nor the staff to do it. Should IDWR need to contact you about your well, we can use the information you provided in connection with your water right.

Sincerely,

Shelley Keen

Shelley,

Thank you for your assistance with the Southfork Subdivision Homeowners' Association, Inc. water rights claim. We appreciate your help in the process and plan to hold our emergency HOA meeting shortly so that we can provide your office with the quit claim deeds for all our residents' water rights. It will be good to get them all under the same roof for both our sakes.

Also, if I may ask, I've noted that the well information on the IDWR website lists the well information for Sea Corp. What do I need to do to change the contact information to the HOA name? Can that be done quickly (I'd like to have the meeting with that record in place)?

And lastly, the deed has the updated HOA contact information, but the letter I received from IDWR still is using an old address. Can we change that easily? The best address is our PO box. Our official address is:

Southfork Subdivision Homeowners' Association, Inc.
 P.O. Box 190107
 Boise, ID 83719

4/16/2009

Best regards,

Reme Pullicar, President
Southfork Subdivision Homeowners' Association, Inc.
