RE: Change of Ownership for Water Right 67-7790 & 67-10809

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership for #67-10809. A computer-generated report is enclosed for your records.

However, during our review a discrepancy was found between the place of use for water right #67-7790 and the legal description on the deed you provided. This right is for stockwater use in both the NW $\frac{1}{4}$ NW $\frac{1}{4}$ and the NE $\frac{1}{4}$ NW $\frac{1}{4}$ of Township 15N, Range 1 W, Section 32. The deed does not show ownership of the NENW.

To complete the ownership change for #67-7790 as submitted, we will need proof of ownership of the entire water right place of use. Or, the water right can be split. The fee for an ownership change resulting in the division of a water right is \$100. The \$25 received with your application can be applied to a split fee, in which case \$75 would be due.

I apologize for the delay in processing your application, which was received in Feb. 2006. Please feel free to contact Dayna Ball in our office at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions regarding this matter.

Sincerely,

So, Emalee Rushing
