Debbie and Travis:

I have no objection to August 4 and 5. However, Travis, in view of the aggressive scheduling, I need your discovery responses asap. Please provide them to me by Monday, April 27, 2009. Also, as we discussed, please let me know if Steve Hannula can contact Chuck Brockway to discuss the Hiawatha Canal conveyance loss issue. If we can't do this informally, I may need to have Brockway's deposition.

Thank you,
Dana
