RE: PERMIT NO. 84-12143

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **April 1, 2014**. Please note that the department granted this extension based on evidence of **good cause**. This approved request reinstates the permit because the request and the filing fee were submitted after the proof due date, and the priority of the permit advances to November 28, 2003, as referenced in Section 42-218a, Idaho Code.

It is important that you work diligently toward the completion of this project during the construction period allowed, since the department will not grant an additional extension request based on good cause, according to Section 42-204(5), Idaho Code.

When you filed the various forms with the Department on April 1, 2009, you paid \$200.00 for the filing fee(s). The only filing fee required at this time is \$50.00 for the extension request which has been accepted and approved. Therefore, with this letter I have requested that the Department issue you a refund in the amount of \$150.00. The Department will process the refund and issue you a check in 7 to 10 business day. The check will be mailed to you upon issuance at the above address.

Section 42-248, Idaho Code requires you or the owner of this water right to maintain current address records on file with the department. If a change of address or ownership occurs, please contact any office of the department or it's website at <http://www.idwr.idaho.gov> for proper forms.

If you have any questions regarding this matter, contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
