RE Your letter October 20, 2008 attached

Dear Ladies and Gentleman

Please review the following and let me know if it is complete and the fees are correct

- 98-7641 I would like to have changed into our trust name – see attached deed
- 98-2137 this water right was in the name of three land owners. Not just Glenn Aby as mentioned in the above referenced letter. Our trust has acquired the title to two of those properties – see deeds attached.
- Glenn Aby's rights in 98-2137 are shared with the others named in the water right and as mentioned. I have acquired those properties and the property at the point of diversion. I do not know how to split those. Aby's do not have stock nor do they have title to the point of diversion. I would appreciate your help in determining how to split the ownership if it needs to be done.
- The number listed incorrectly in my change of address form attached was given to me by IDWR and I incorrectly added it to the application for change of address.

Ok. So I made this much more complicated than it needs to be. Please help me with this and determine if the forms are correct and if the fees are the right amount.

Sincerely,

Richard Anthony Villelli and Marie Victoria Villelli Trust dated March 4, 1983

PS: Thanks God these are no longer the days of correcto type and white out.
