Hi Laury,

Luke did show me the documents submitted. I agreed with his findings. It appears that 2 of the water rights that were owned by Scarrow and Doramus have a QQ not addressed on the deeds from Doramus to Scarrow. The WR Nos. are 36-15080 and 36-7365A. The QQ not covered is the NESW, Sec. 9, T8S, R15E. I can see that the deeds between the Scarrows cover that QQ but none from Alice & Joe Doramus to Scarrow(s).

Luke will be out of the office until Tuesday. If you need any further help, please call or email.

Thanks,
Emalee

Hi Emalee,

Jim Scarrow just left a message for me while I was in a closing and said that Luke from IDWR had called him and needed more information for the completion of water rights transfers. I thought that I had provided everything that was needed back on January 29, 2009. I have left Luke a voice mail and just thought I would touch base with you and see if you had any info.
