RE: Application for Permit

Dear Applicant(s):

The Department of Water Resources has made several attempts to contact City of Atomic City and discuss the application submitted. A letter was sent to City of Atomic City on 6-4-2008 explaining our questions regarding the application with a response deadline of 6-13-2008. Since IDWR have not been contacted by City of Atomic City, we will be processing the application as it was submitted. The application will be processed for in-house use with no allowance for irrigation of lawns.

Please feel free to contact this office if you have any questions.

Respectfully,

Denise Kidman

Water Resource Agent
