Re: Tic Tock Ranch- Water Supply Bank Rental Applications.

Dear Diana,

Attached are two Water Supply Bank (WSB) rental applications in the name of the Brett & Patricia Bashaw Family Trust c/o: Gerald Bashaw. Mr. Bashaw seeks to rent the remaining portions (21.5 acres) of Hidden Crown Ranch LLC's ground water right numbers 37-2683B and 37-7349B through the end of 2009. Mr. Bashaw seeks to irrigate with the rented water on the Tic Tock Ranch, which shares the northern border of the Hidden Crown Ranch in Blaine County, Id.

Our office has filed a transfer application with IDWR's Twin Falls Regional Office to expand the place of use on the Tic Toc Ranch with regards to the two ground water rights that are appurtenant to the ranch. The new, expanded place of use is included and listed as the place of use on both WSB rental applications.

Also attached is a limited power of attorney (LPA) document for these WSB applications so that Brockway Engineering may make changes to the applications with Mr. Bashaw's consent, should they be needed. Please copy our office on all correspondence regarding these WSB lease applications. Thanks for your time and don't hesitate to give Chuck Jr. or myself a call should you have questions or comments.

Regards,

Zach Latham, Hydrologist
