RE: Change of Ownership for Water Rights Nos. 36-14605, 36-14606, 36-14810, 37-8867,
& 37-13385

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above mentioned water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

We were not able to change ownership for water rights 36-8538 or for 37-8828. An Assignment of Application for Permit is required for ownership change for water right 37-8828. For water right 36-8538 an Assignment of Permit form is required for ownership change. Please fill out and return the forms to us.

As there is no fee required for the Assignment of Application for Permit, I will request that a \$25 refund be sent to Land Title and Escrow, Inc; when the assignment for application for permit form is returned.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Technical Records Specialist
