RE: Water Right No. 29-13424

Dear Mr. Katsilmetes:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

I contacted Craig Saxton asked for a copy of the documents you sent him: copy of Certificate of Death Margaret Anne Katsilometes, copy of Information of Appointment of Personal Representative, copy of Proof of Mailing and copy of Notarized Quitclaim Deed. Mr. Saxton sent me the copies, however upon review of the Partial Decree the owners of Water Right 29-13424 are J. Davis Katsilometes, Mary Reinbold, Michael Katsilometes, Paul G Katsilometes, Rita Wakley and Thomas C Katsilometes. Please provide evidence of Water Right Ownership: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document transferring full or partial (if partial then we would need to split water right) ownership from Mary, Michael, Paul, Rita and Thomas to you.

☒ Legal Description of Property

☒ Filing Fee of \$100 per water right for changes resulting from division of a water right, if you want to split the water right.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, **except for ownership changes resulting in the division of a water right, which is \$100 per water right.** All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$75.00. For a split other wise you have a zero balance.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kara Alder at 208-287-4944

Sincerely,
