

MEMORANDUM

To: File 78-12318
From: Denise Buffington DB
Date: April 23, 2009
Subj: Pre-hearing conference date

A Notice of Pre-hearing Conference was mailed on April 16th, setting a date for the conference as Friday May 22nd, 2009.

IDWR received a phone call from the Wolford's on April 21st, regarding the conference date. Mr. Wolford has a conflict with that date due to doctor's appointments, and asked to change it to May 21st.

After talking with the IDWR staff involved and the New Meadows Library, I called Linda Wolford and confirmed that May 21st would be an acceptable date for the conference.

An updated Notice of Pre-hearing Conference will be sent out April 24th, with the new date set.

In addition – Mrs. Wolford indicated a small correction to their Oregon mailing address and the file had already been updated accordingly.
