RE: Change of Ownership 74-733C & 74-10156

On April 22, 2009 I spoke with Lynn Bockelman regarding her ownership change requests for the above listed water right numbers. We discussed 74-10156 where the house is located in the NW SE Quarter of Section 30 Township 21 North Range 23 East, the place of use for the domestic water right is located in NE SW according to the departments records, the parcel which the water right is appurtenant to, is 4 acres within the SW NE, SE NW, NE SW, NW SE quarters of Section 30, Township 21 North Range 23 East. Lynn Bockelman was going to file a transfer to correct the place of use and change the ownership at the same time and she has requested I return the ownership change to her unprocessed, so she would be entitled to a \$25.00 refund for receipt number E034746. If she had any question regarding how to complete the transfer application she would be in contact with an agent. For the ownership change for 74-733C, I informed Ms. Bockelman that the place of use for that water right does cover a portion of the property owned by the "Backus" and therefore the ownership change would require a split and additional fees; a total amount of \$100.00. The Bockelman's had already paid 25.00 as shown on receipt number E034785, so they would need to submit an additional fee of \$75.00. She asked that instead of refunding receipt number E034746 to apply that to this ownership change; then she would submit a check for the remaining \$50.00.

In conclusion:

Ownership change 74-10156, will be returned unprocessed and receipt number E034746 in the amount of 25.00 will be applied to the ownership change for 74-733C instead of being returned and the Bockelman's will complete a transfer application to fix the place of use and change the ownership.

Ownership change 74-733C will be completed upon receipt of an additional \$50.00 from the Bockelmans and by applying receipt number E034746 to this ownership change application.
