RE: Application for Transfer #73751

Dear Mr. Allen:

The Department is in review of your Application for Transfer of Water Right to change the place of use and add points of diversion to right 79-14210.

Pursuant to Idaho Code 42-222, the Department must evaluate the right involved in the transfer for forfeiture. The Department addresses this issue in the transfer application by asking:

To your knowledge, has any portion of this water right undergone a period of five or more consecutive years of non-use? Y___ N **X** *its ALWAYS BEEN USED* If the answer is yes please provide an explanation _____

The answer to this question on your application remains unanswered therefore the Department cannot satisfy the criteria for evaluating a transfer application.

Please return this letter within 30 days with the above question completed. If you have any questions regarding this request or your application for transfer, please don't hesitate to contact me at (208) 287-4944.

Sincerely,

Cherie Padilla
