Re: Permit No. 36-7585

Dear Mr. Kearley:

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

Field examinations must be done while the system is in operation. For this reason we concentrate on irrigation permits during the summer months and do examinations on permits for other uses during the non-irrigating months.

If you have any questions regarding the field examination, please contact our office.

Re: Permit No. 36-7585

Attention: Ms. Jan Grover

Dear Ms. Grover:

I am returning our original of assignment of permit to you releasing our interest in water rights to Mr. William Kearly.

In regards to the assignment of permit from Connecticut General releasing their interest to us I had a telephone conversation today with Mr. Kearly and he said that the original was delivered to your Twin Falls offices.

Mr. Kearly asked that the Twin Falls office forward to original to you so this matter can be resolved.

I am in hopes that this will complete all the necessary requirement to transfer to Mr. Kearly.

Thank you for your assistance in this matter.

Sincerely,

Water Permit No. 36-7585

Gentlemen:

Please find enclosed herewith a copy of a letter from this firm to Mr. Ralf M. Lucke, Security Title Company, dated December 19, 1978 together with the enclosure. As you will note, Connecticut General assigned its interest in Permit No. 36-7585 to Anderson-Nafziger of Wendell, and this executed assignment was forwarded to Security Title Company. In order for the permit to be conveyed to Mr. Kearley, it would be necessary for Anderson-Nafziger to assign its interest in the permit to Mr. Kearley.

We certainly hope this information will be helpful. If you have any further questions, please feel free to contact us.

Sincerely,

Loan 7611200 - Anderson/Nafziger Partial Release

Dear Mr. Lucke:

I am in receipt of your letter dated December 12, 1978 in connection with the release of the Assignment of Water Permit No. 36-7585.

Please find enclosed herewith an Assignment of Water Permit No. 36-7585 which has been executed by Connecticut General, per your request.

I am sorry for the delay in delivering this instrument to you however, at the time you originally wrote to this firm requesting the release of this water permit, you referred to a loan which William Kearley had held with Connecticut General.

We searched our files and could not locate either a retired loan, nor a current loan in Mr. Kearley's name. Therefore, I wrote to our Boise Office and requested any information which they could give us in connection with your request.

Upon receipt of a reply from our Boise Office in connection with our inquiry, we were immediately able to locate this file and wrote to Connecticut General to request that they release this Water Permit.

We hope that the enclosed document will meet your needs and apologize for the delay.

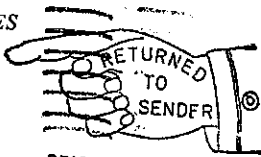

Cordially yours,

Terri M. Hamel
