RE: Water Right 11-44A

Dear Sir/ Madam

We are seeking to clear up the water right issue on this piece of property. In 2001 we filed a name change on Water Right 11-4265. Last year as I was researching this in order to upgrade our irrigation system, Cindy in your Soda Springs Office pointed out that Water Right 11-44A seemed to cover the same ground. After discussion with her and Mark in your Idaho Falls office, it seems that Clinton Nell, the previous owner, filed for a right in June of 1983. Rather than a name change he filed for a new water right. As the 11-44A right is a decreed right rather than a statutory right we would like to request a name change for 11-44A. Enclosed find deeds back to Grace Beus for this property. Thank you for your help in this matter. If you have any questions please call me at 208-709-4983.

Thank you,

John Lau
