Dear Mr. Marshall:

My understanding is that South Boise Water Co. has 4 cfs of natural flow in the Boise River in the Bank. We would like to keep 1 cfs in the Bank through Dec 31, 2010. We expect to extend this lease at a later date. We wish to remove 3 cfs effective April 1, 2009.

We are removing the water because we know of no interested lessees for the 3 cfs. If you find an interested party, please let us know and we probably could put some back. In the meantime we are going to use the water and reduce our use of Lucky Peak water, for which there are interested lessees.

Thank you for your help in this matter. Please contact me if you have any concerns or need further information.

Sincerely,

Barry Eschen
Board Member
