PROPOSED CHANGE OF WATER RIGHT(S)

Ballentyne Ditch Co LTD of 170 N Sierra Way Eagle, ID 83616 filed Application No. 75023 to transfer one water right with an 1888 priority date from the Boise River totaling 9.67 cfs. The purpose of the transfer is to change the nature of use for a portion of the right, previously used for irrigation of 4.5 acres, to ground water recharge for mitigation of the consumptive losses associated with a pond in Eagle Island State Park located just south of Highway 44 approximately 1 mile east of the intersection of Highway 44 and Linder Rd 2 miles west of Eagle. The unchanged portion of the right will remain within the current service area of the Ballentyne Ditch Co LTD generally located north and south of Hwy 44 approximately 1.5 miles to 3.25 miles west of Eagle.

For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications." Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Director, IDWR Western Region, 2735 Airport Way, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before May 4, 2009. The protestant must also send a copy of the protest to the applicant.
