NOTICE TO RESUME WATER USE

Re: Water Right Nos. 36-2498B, 36-2498C, and 36-8079

Dear Water Right Holder:

On the August 17, 2004, the department approved three Applications for Extension of Time to Avoid Forfeiture for the water rights referenced above. One condition of the approval was that diversion and use of this water must resume on or before June 1, 2009. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
