PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 25-14189

Dear Permit Holder:

The department acknowledges receipt of the statement of completion for submitting proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:

www.idwr.idaho.gov

Please note that the permit was issued for domestic use for 29 homes. The amount of homes listed on the proof of beneficial use listed that the use was for 30 homes. I have enclosed a copy of the amended permit for your reference. If you have questions about the field examination or the use authorized under this permit, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Emalee Rushing
Office Services Supervisor
