I sent agreement signed by IDFG and draft license to Randy for review and signature by his clients. We need to wait for signatures and letter from Randy advising that agreement has been reached and agreement on draft license. I expect he has been tied up in the conjunctive management litigation and hasn't gotten to it. I will give him a call and get back with you.

Harriet,

Can you give me an update on the Georgetown situation? We would like to issue the water right license for 11-7219.
