Re: Change of Ownership for Water Right No(s): 63-7576

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. Thank you for providing the necessary information needed to make this change. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

We apologize for the delay in changing this water right. We found the original Change of Ownership that was filed and reviewed the information that was provided. It was merely an oversight that this water right was never changed.

Water Right No. 63-9432 is still in the adjudication process. The Adjudication Department will be changing the ownership on this right. You should receive notice when this is complete.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
