RE: Notice of Change of Ownership in Water Right No(s): 65-5278 & 65-5279

Dear Interested Party(s):

Thank you for submitting your warranty deed, map, and partial fee that the Department requested to process your ownership change. However, we cannot continue to process the ownership change without the entire filing fee.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 **per water right**, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. Since you requested a change of ownership for two water rights, we are still in need of \$25. I have enclosed a receipt for the money you have paid.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter at 334-2190.

Sincerely,

Jean Hersley
