RE: Notice of Security Interest in a Water Right No.: 67-14299

Dear Property Owner(s):

Enclosed is a copy of your Assignment of Permit your recently submitted to our office. However, we cannot continue to process the request without th proper paperwork.

Assignment of Permits is filed if there is a change of ownership on the permit. Since Camas Prairie Associated, LLC is still the owner and Northwest Farm Credit Services on holds the security interest, we need to have a Notice of Security Interest in a Water Right paperwork filed which I have enclosed. The fees already paid have been applied to this change.

Because the Department cannot process the security interest without the proper paperwork, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter.

Sincerely,

Jean Hersley
