Re: Amendment

This claim is currently in the name of Maiden. The property has changed ownership two times and is now owned by a Robert Privette. The chain of ownership is attached to the amended claim in the form of deeds that show Robert Privette is the owner. Mr. Privette, at the time he submitted this amendment, filed and ownership change with the department changing the ownership from Maiden to Privette. Data entry to amend the point of diversion from the SESE of Section 6 to the SWSE of Section was done based upon the proof of ownership. The reason for the amendment was Mr. Privette felt the original claimant erred in properly identifying the actual point of diversion.
