CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **April 1, 2011**.
2. Subject to all prior water rights.
3. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which the permit holder had no control.
4. Prior to the diversion and use of water under this approval, the right holder shall comply with all fish screening and/or fish passage requirements of the Idaho Department of Fish and Game.
5. Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide suitable control of the diversion.
6. Place of use is located within Lot 9, Copenhaver Subdivision.
7. Domestic use is for 1 home and does not include lawn, garden, landscape, or other types of irrigation.
8. This right does not grant any right-of-way or easement across the land of another.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 6th day of April, 2009.

for DAVID R. TUTHILL, JR., Director
