RE: PERMIT NO. 85-15635

Dear Mr. Bearden:

Per our telephone conversation on April 07, 2009, I understand you are now the owner of this property. Enclosed is the Proof Due Notice for this water right which was originally mailed to Richard Baines on March 31, 2009. The postal service returned that letter to our office with no forwarding address.

The Department of Water Resources requires an Assignment of Permit to change the ownership of a Permit. Please note that the permit holder is Richard Baines, therefore the assignment form requires Mr. Baines' signature. Because this water right is in the permit stage, a \$25 filing fee is required to complete the ownership change. Per your request, I faxed you an Assignment of Permit Form on April 07, 2009.

Sincerely,
