RE: Water Right No. 96-9167 Change in Ownership & 96-9169 Assignment of Permit

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership & Assignment of Permit.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. Furthermore, we also need a document that shows that Lorraine McCaffery P.R. has the authority to act on behalf of Sonja M Scott.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within **30 days** we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
