RE: Change in Ownership for Water Right No. 25-04226A

Dear Mr. and Mrs. Salazar:

On November 20, 2007, the Department of Water Resources sent you a letter which requested additional documentation in order to process the change in water right ownership. As of this date, no response has been received.

Please submit evidence of water right ownership in the form of a deed or other legal document indicating your ownership of the property and/or water right in question. Make sure you also enclose any attachments which describe the property.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
