Disposal P/O etc of Shelly

Jeff/Shelly concerns

- diff dbase
- hard to evaluate inputs (stay live nearby)
- not transparent enough
- probably lead to more apps due some --
dilute meaning of our data etc.

∴ kind of little problems together add up
to bigger one

I'll talk to Atty

- call on Su help if not successful

disposal-

→ Ok, the concerns @ issue

will round up to list

27 max p/ds +

attachments as needed

Amend

3/24 left msg, Joff F. to call

- ① add dir to stuy, mini stuy, mini fun stuy.*
- ② details Appl item 8b + e (style, aesthetics) - these items repeat b/c in item 4 - can note extensive thought-remarks, narrative etc.
- ③ w.b. zone → exist/propose wells
Appl → wells 200-500'
is that w.b. zone?

Format

- avoid broad outline (mechanics etc)

Legal notice - scanning issues

- drill scan all
- prefer "Inter appeal" - where h/b + legal notice refer to same info but complete details for y
Appl avoid and request to dept

can they have some available for that?

* Points -

- @ 100 sq. covered
- how ext. @ 1800 sq + approx?
- what @ surf. water issue @ ponds?
