NOTICE TO RESUME WATER USE

Re: Water Right No. 63-2535, 63-4023, 63-4086, and 63-7123

Dear Applicant:

On January 27, 2000, the department approved your Application(s) for Extension of Time to Avoid Forfeiture of a Water Right(s) as submitted to the department for 0.7 cfs for the irrigation of 35 acres under the water right 63-2535; 3.0 cfs for the irrigation of 350 acres (excluding the NW1/4 of Section 35, Township 5 North, Range 1 East, B.M.) under water right 63-4023, 3.2 cfs for the irrigation of 473 acres (excluding the NW1/4 of Section 35, Township 5 North, Range 1 East, B.M.) under water right 63-4086; and 0.79 cfs for the irrigation of 473 acres (excluding the NW1/4 of Section 35, Township 5 North, Range 1 East, B.M.) under water right 63-7123. One condition of approval was that diversion and use of this water must resume on or before November 1, 2004. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Therefore, I am enclosing a form to notify the department of the resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding these files, please feel free to contact me at (208) 327-7953.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau

Encl.
