Permit 22-13220 was jointly owned by JRG Partners and JRG Partners II. JRG Partners II has sold its portion of the property covered by Permit No. 22-13220 to Curlew Partners LLLP (see attached Grant Deed). JRG Partners and Curlew have agreed on how to split Permit No. 22-13220 between their respective properties (see attached Agreement to Split Water Permit). As a result, Curlew will own that portion of Permit No. 22-13220 described in the Assignment of Permit. JRG Partners will retain that portion and Permit No. 22-13220 that authorizes 0.10 cfs to irrigate 5 acres in 4N 45E S17 SWNE. Both portions of Permit No. 22-13220 share the same point of diversion in 4N 45E S17 SWNE. As a result of the transaction described above Permit No. 22-13220 will be split into two permits, one in the name of Curlew and one in the name of JRG Partners.
